

Band On The Banks

Sunday 20th August

This very popular event will take place as usual this year ... BUT, although all arrangements are in hand we need someone to co-ordinate the event as David Cawdell is standing down.

The principal activities are:

- Advertise the event in The Loughborough Echo, Neighbourhood Watch, The Quorndon magazine, noticeboards
- Check that chairs and tables will be on site Saturday 19th [co-ordinate with Village Groundsman]
- Set chairs with suitable no parking notices alongside area outside Church Rooms 0700hrs on Sunday 20th to ensure area is clear of vehicles later in the day
- Ensure tent for Hathern Band is erected [co-ordinate with Village Groundsman]
- Co-ordinate with Scouts for catering
- Be responsible for unlocking and use of Church Rooms [venue already booked]
- Provide external power extension for catering or notify them to provide their own
- Greet Hathern Band [already booked]
- Compare the event and be on hand in case of problems
- Supervise clearing away, locking Church Rooms and leaving area litter free and tidy

It has always been very pleasant receiving the gratitude for a much appreciated Parish Council sponsored event.

PA equipment is available but not essential.

Please contact the Parish Clerk if you can help manage this event on 01509 414491.
