

## Quorn Local History Group - Newsletter 15<sup>th</sup> December 2023

**2023** - Well, here we are at the end of another year and looking back, it has been a very successful year. We now have 62 members the highest number since we started back in 2017. The 2023 talks programme was the most successful so far with a total of 528 people attending including 243 guests. The group updated and financed the 'Quorndon Through the Ages' and the 'Quorndon Millennium Map' displays at the Cross in the village. The small projects fund was established to assist people researching, preserving, recording, or promoting Quorn's History and a trip to the Framework Knitters Museum at Ruddington was organised.

**Can you help?** – The group are looking to borrow a period camera from the early 1900's. It will form part of a display using the groups cabinet in the Community Library. It will be returned after the display is finished. If you can help, contact: [quornlhg@gmail.com](mailto:quornlhg@gmail.com)
